

Participant bar showing icons for SK, PK, SK, AK, GR. Below icons are names: Shishir Kumar (Host, me), prem kashayap, suraj Kumar, Abhishek Kumar, Gunja Rajput.

Sharing Dynamic Array

Declaring a Dynamic Array

Dynamic arrays are always declared with empty parentheses.
 The parentheses must always be attached to the variable, never the data type.
 When you need to define the size of the array you can use the ReDim statement.

```
Dim num() As String
ReDim num(3)
```

```
Dim arValues() As String
ReDim arValues(3)
arValues(0) = "Monday"
arValues(1) = "Tuesday"
arValues(2) = "Wednesday"
arValues(3) = "Thursday"
```

```
Dim arr() As Integer
ReDim arr(2) As Integer
For i = 0 To ...
  arr(i) = InputBox("Enter value")
Next i
```

Participants (9)

- SK Shishir Kumar (Host, me)
- AK Abhishek Kumar
- GR Gunja Rajput
- KS Kaj. Sharma

This participant joined the meeting from a mobile device.

- PK prem kashayap
- S shikhaagar1998
- SR shimni rai

Chat

from Shishir Kumar to everyone: 9:54 AM
 good morning
 from shikhaagar1998 to everyone: 9:55 AM
 Good morning sir
