Participants (9) list: Shishir Kumar (Host, me), Ajit Rana, Ayush Kumar, Madhu Rani, mohitt, ranjan kumar, Shubham Kumar, Sonali Kumari, sourav kumar. Includes 'Mute all' and 'Unmute all' buttons.

Paging method, the main memory is divided into small fixed-size blocks of physical memory, which is called frames. The size of a frame should be kept the same as that of a page to have maximum utilization of the main memory and to avoid external fragmentation. Paging is used for faster access to data, and it is a logical concept.

Meeting controls: Mute, Start video, Share, Record, and a red 'X' button.
